- They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
 - They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
 - They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - Their boat is in good order, equipped to sail in the event and they are fit to participate;
 - The provision of a race management team, patrol boats and other officials and volunteers by the race organiser does not relieve them of their own responsibilities;
 - The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
 - The fact that the Event Technical Committee or Race Committee conducts inspections, or not, of a boat does not reduce the responsibilities of each competitor set out in this Notice of Race.
